

PrimeTime is pleased to introduce two new Membership categories for the 2010/11 membership period, which runs from 1 February 2010 to 31 January 2011.

PrimeTime Alumni Membership: This membership category is for past PrimeTime members who wish to maintain links to PrimeTime. The Alumni membership annual fee is SG \$50.00.

PrimeTime Overseas Membership: This membership category is for business and professional women who have never been members of PrimeTime, but who wish to connect to PrimeTime members in Singapore. The Overseas membership annual fee is the same as the regular PrimeTime membership fee of SG \$140.00.

Step 1

To register as an Alumni or Overseas member, you will need to complete the online PrimeTime membership application located under the menu: Membership > Membership Application.

Step 2

Send an email to the PrimeTime Membership Officer at membership@primetime.org.sg to advise that you would like to subscribe to one of these special categories. If you are applying for the PrimeTime Alumni membership, please let us know which year(s) you were a PrimeTime member.
